

Members for Volunteer Schedule

Please find below a list of current members whom race reasonably regularly that I hope to be interested in assisting with monthly events on a roster basis.

Note that I have not included Jnr riders in this list as I am happy for them to focus on riding. More than happy for yaz to be involved so please let me know if you are keen.

I have also left out people like Brad, Bren and Myself who are generally helping out anyways.

If you are not on this list and you would like to be please let me know. On the other hand if you are on this list and you prefer not be please let me know. I will not be offended and would prefer to know now than be difficult to contact later.

The plan is to create a roster system for monthly events. This will require volunteers to be available to help out for one monthly event roughly twice a year. The 3 tasks we need assistance with are marking the course, Rider Registration pre event and Timing during the event. Timing is the only task that requires people to miss out on racing. If you are put down for this task you are able to convince a friend or family member to do this so you can race. That is accepted practice for all other tasks as well. If you cannot make it but you can organise someone else that is more than fine.
